6/4 **Shawmont** - Last Day of School
6/7 **RCS** - Last Day of School
6/13 **Green Woods** - Last Day of School & 12PM Dismissal

Details:

FUEL After School programming will begin August 27, 2018 and end June 13th, 2019.

FUEL After School staff will pick up students in accordance with all hours of school operation (i.e. full days, half days, and early dismissals).

FUEL After School will act in accordance with The Philadelphia School District's cancellation policy. Should schools be closed for any reason (i.e. snow, heat, etc.), FUEL will also be closed. In the event of an early dismissal due to weather, FUEL staff will pick up students from the schools and will supervise the students until we close at 3:00PM. We will not remain open during our regular hours (3-6PM).

On a day school has been in session, FUEL may cancel programming or close its programs early due to unsafe weather conditions. You will receive notification via email and the Brightwheel app. In the event of an early closure due to a weather emergency, parents are required to arrange for pick up of their child(ren) by the specified closure time.
